OUR CLIENTS

OUR SKILL DEVELOPMENT PROJECTS

Transform rural poor youth into an economically independent and globally relevant workforce

An instrumental role in supporting the social and economic programs of the government like the Make in India, Digital India, Smart Cities and Start-Up India, Stand-Up India campaigns.

Integrated education and livelihood initiatives for minority communities

Key benefit to minority youths who do not have a formal school leaving certificate, i.e. those in the category of school- dropouts or educated in community education institutions. In order to provide them formal education and skills.

**If we have to move India towards development
then Skill Development should be our mission.**

RSLDC address the challenges of unemployment and ensuring gainful and sustainable employment by formulating appropriate and innovative strategies for the poor and vulnerable people.

*Skilling Youth
Enriching Livelihoods*

**To encourage skill development for youth by
providing monetary rewards for successful
completion of approved training programs.**

PMKVY objective of this Skill Certification Scheme is to enable a large number of Indian youths to take up industry-relevant skill training that will help them in securing a better livelihood.

**RSTP generate short term training programmes
which are concerned for skill development in
Trainees.**

Regular Skill Training Programme (RSTP) — aimed at training people for self-employment. RSTP managed to train 14,134 youths out of the targeted 26,000.

*Skilling Youth
Enriching Livelihoods*

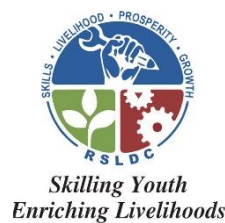

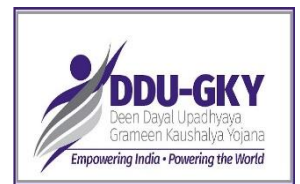

Skill India
कौशल भारत - कुशल भारत

**To create opportunities for the development of
talent within the country and improve the overall
scope and space for underdeveloped sectors.**

NSDC aims to catalyse skilling initiatives that can potentially have a multiplier effect in the economy, while striving to involve the industry in all aspects of skill development.

Education makes you sufficient, Skills make you efficient.
